

Do you practice in a family medicine clinic or group?

Would you like to enhance your practices but are unsure where to begin?

Our proposal

- Accompany your team in:
 - Analyzing its needs
 - Establishing SMART objectives
 - Selecting and assessing indicators
 - Implement the most effective ideas for transformation
- Assist in obtaining "Choosing Wisely" certification
- Conduct a reflective workshop on your FMG's Repères report
- Conduct a CoMPAS+ initiative
- Support the utilization and improvement of EMR data

What is the role of a regional CQI agent?

- Advise and assist the clinic team in initiating and completing a CQI project on a selected issue, at no cost.
- The ACQ methodology in your environment is accredited by the FMOQ.

Request your 360° analysis

Schedule a complimentary consultation with an agent to evaluate your situation, identify your needs, and pinpoint areas for enhancement.
